

# PYRENEES COMMUNITY HOUSE

**TERM 2**

April - June 2024

# HI THERE!

Term One was a great success and saw us take our programs throughout the shire with activities and workshops in Beaufort, Raglan and Amphitheatre. It has been such a treat to meet and connect with all of you in our neighbouring communities. We re-launched the Beaufort Town Market which has received a warm welcome and is set to be a popular event to add to our calendars.

The end of term, also saw us facing some challenging times and we would like to thank the emergency services on the forefront of these events for keeping our communities safe. Many in the community offered help, and stepped up in looking out for their vulnerable neighbours. Thank you! What a truly kind, courageous and strong community we have. We are proud to be part of it.

Term Two celebrates togetherness, connection and learning. Some great activities, classes and workshops have been put together. We will also be celebrating our 40th anniversary in correlation with Neighbourhood House Week. Stay tuned for more information on how we plan to celebrate this huge milestone with all of you!

We look forward to seeing you at one of our events, classes or workshops.
